

Beebest Instant Water Heaters are manufactured by [Beebull Engineering Sdn Bhd](#) , which is a leading ISO9001 and Sirim certified manufacturer of electric water heaters providing the highest standard of quality, safety and performance, modern product styling and innovation, all at exceptional value for money. The superbly designed and well engineered products have won the acclaimed Good Design Mark four times from the Malaysia Design Council, plus a Special Award for Industry Excellence and another for Product Excellence from Malaysia's Ministry of Trade and Industry.

The innovations include the "market pioneering" instant water heater with built-in Anti-Shock Electronic Earth Leakage Circuit Breaker introduced to the market in 1995, which raised user safety to a higher level, and the first-in-the-market patented DC Inverter Quiet Booster Pump Shower in 2004. It has manufactured under OEM (Original Equipment Manufacturer) contracts for a large number of world renowned home appliances brands since 1993.
